The bank draft issued by overseas bank should cover the charges of our local bank. The name of applicant and equipment model under application should be given at the back of the cheque, cashier order or bank draft. The Applicant shall punctually pay on the date of invoice or within such other period agreed in writing by the Centre all charges rendered by the Centre or interest will become due at the rate of three per cent per month from the date of invoice until actual payment. The Applicant is also responsible for settling all the Centre's costs of collecting the charges owed, including legal fees.
