

澳門修訂食品中的重金屬污染限值 – 行政法規 No.27/2026

澳門特別行政區政府已於 2026 年 9 月 29 日於第 39 期澳門特別行政區公報中發佈最新**行政法規 No.27/2026**，該法規用以**修改 No.23/2018** 號行政法規的《食品中重金屬污染物最高限量》，並將於 **2027 年 4 月 1 日起生效**。

新修訂重點總結如下：

- **擴闊涵蓋重金屬的類別：**除了以往重金屬的類別（總砷、總汞、鉛、鎘和錫）以外，把無機砷從總砷含量及甲基汞從總汞含量裏分別出來以規限其限值。
- **精細分類：**把原有的食品組別再仔細分為更具體的細分類，例如不同種類的米、食用菌、水產、香辛料及奶製品。
- **更嚴格的限值：**特別對嬰幼兒食品、奶製品、食品級鹽、果汁、水果、蔬菜、飲用水等實施更嚴格的限值以保障消費者健康。
- **差異化限值：**針對某些水產、食用菌、可可製品等，考慮其天然蘊含量與環境污染因素擬定其重金屬污染物限值。
- **增加涵蓋新食品類別：**訂明不同總可可固形物含量的朱古力之鎘限值。

欲了解更多新修訂的法規，請詳閱澳門特別行政區公報的最新行政法規 **No.27/2026** 及原法規 **No.23/2018**（備中文及葡文版本）。

香港標準及檢定中心（STC）是一間非牟利、獨立的測試、檢驗及認證機構，在全球多處設有獲 ISO/IEC 17025 認可的檢測實驗室，擁有 60 多年消費品檢測經驗，致力為業界提供專業、可靠及全面的檢測服務。

Macao Updates Heavy Metal Limits in Food – Administrative Regulation No. 27/2026

The Macao SAR Government has issued **Administrative Regulation No. 27/2026**, which was published in the Official Gazette No. 39/2026 on 29 September 2026. This regulation amends **Administrative Regulation No. 23/2018** on maximum levels of heavy metal contaminants in food. It will take effect on **1 April 2027**.

Key Highlights

- **Expanded scope:** The regulation now explicitly distinguishes inorganic arsenic from total arsenic, and methyl mercury from total mercury, alongside cadmium, lead, and tin.
- **Refined categories:** Food groups are broken down into more specific tiers, such as rice types, fungi species, seafood species, dried spices and dairy sub categories.
- **Stricter limits:** Infant foods, dairy products, salt, fruit juices, fruit, vegetable, drinking water, etc. now face tighter thresholds to strengthen consumer protection.
- **Differentiated limits:** Certain seafood, fungi, cocoa products, etc. are managed with tiered limits reflecting natural accumulation differences.
- **New coverage:** Chocolate in different cocoa solid percentages is now explicitly regulated for cadmium content.

For full details, please consult the **Official Gazette – Administrative Regulation No. 27/2026** and the original **No. 23/2018** (Chinese and Portuguese versions available).

STC is a not-for-profit, independent testing, inspection and certification organisation. With a global network of ISO/IEC 17025 accredited testing laboratories and over 60 years of experience in consumer product testing, we provide efficient and reliable conformity assessments to meet your needs.
