STC was established in 1963 as Hong Kong's first independent and not-for-profit Testing, Inspection and Certification organization. Committed to providing professional, reliable and comprehensive services, STC is accredited by HOKLAS, CNAS, DAKKS, CPSC, SATRA, LUCIDEON, JTA and MHLW, and is the first approved non-governmental laboratory undertaking CCC testing in Hong Kong and mainland China.

Dedicated to meeting the needs of different industries and global demands, STC soon expanded its operations and established customer service centers and state-of-the-art laboratories all around the world in Asia, Europe and North America.

STC has gained worldwide recognition from accreditation bodies and organizations for ensuring product safety and quality compliance, issuing reliable and accurate reports, and providing exceptional customer support services. As your trusted global partner, STC is the one-stop solution for all your Testing, Inspection and Certification needs.
