One-Stop Stationery Inspection Service

Guaranteed Recognition

Stationery is everywhere and used by all, making it extremely important to ensure they are safe to use. Even when your supply chain has robust quality assurance processes in place, **INSPECTION is still the key** to assessing product quality and safety before shipment.

HKIC provides you with trustworthy stationery inspection services enabling you to meet **safety requirements** while upholding your brand reputation. You will receive a thorough examination and verification of your product's functionality, workmanship, labelling, and packaging. **This is done based on our specialised stationery checklist. Each defect is accounted for and categorised.**

Committed to improving quality and safety, we help ensure your stationery meeting all necessary requirements.
