

香港檢驗服務公司 (STC 附屬機構)
Hong Kong Inspection Company (a subsidiary of STC)

Safeguarding Your Brand Value Professional Watch & Clock Inspection

Time is precious. We measure it with our watches and clocks, which must always perform at their best.

Are your **watches and clocks in pristine condition?**

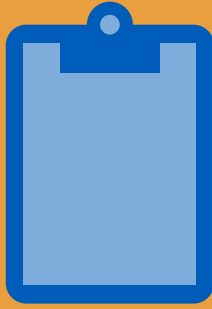

Finely-tuned timepieces require care and attention to maintain their quality. And in the world of horology, **inspection** is not just a luxury, it is a **necessity.**

Hong Kong Inspection Company's (HKIC) **inspection services go beyond quality maintenance**; they also help **safeguard your brand's value.**

Benefits of Inspection Services

Setting up your Inspection Compliance

Ensures your protocols comply with international and industry standards

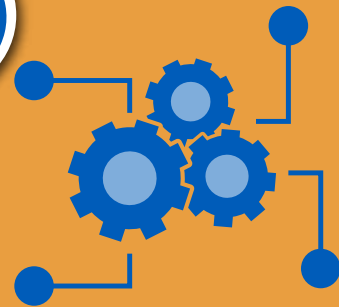

Training and Certification

Builds credibility and trust with clients by obtaining the relevant certifications for your facilities and staff

Conducting Inspections

Makes sure there are no obvious defects or issues before examining the minutiae

Functional Testing

Assures your clients of your instruments' full functionality and quality performance, through testing of accuracy, water resistance, and shock resistance

Join us on this journey of timepiece excellence, where every tick and tock exemplify HKIC's dedication to quality. Experience the difference.

Schedule your inspection today, contact us now.
