

Are you selling products **WITH PAINT THAT CONTAINS LEAD?**

Paint and similar surface-coating materials for consumer use that contain lead or lead compounds and in which the lead content is in excess of 0.009 percent (90ppm) of the weight of the total content of the paint or the weight of the dried paint film are banned hazardous products under sections 8 and 9 of the Consumer Product Safety Act (CPSA).

Let us advise you on the most economical way to meet your lead testing and other regulations that might apply to your products

STC USA LLC (formerly Benchmark Laboratories)
is accredited to ISO 17025 and approved by the CPSC
to test for total lead content 16CFR1303.
